26 Stand up pouch with zipper Brown paper bags with oval window :

Stand up pouch with oval window in brown paper is now available in different sizes. This pouches are not suitable for oily products because it do not have sufficient barrier so the oil sometime migrates on the top surface of bag and sometime the paper looks little oily. This pouch does not have sufficient oxygen and moisture barrier. So the life of the product filled inside will be less compared with other bags. If you require more barrier and oil protection in brown paper with window, than please use our brown paper full rectangle window bags.
